## Block 1

Refer to *Painted Hearts - Introduction*, in the June 2013 issue of *The Quilt Pattern Magazine* for information about this BOM.

### Materials Needed For Block 1:

- 1 (one) 14" square of background fabric
- Color #1 for appliqué
- Color #2 for appliqué
- Color #3 for appliqué

### Creating the Layout:

Locate the *Painted Hearts Block 1 Layout* page in the **PDF Templates** file associated with this issue. Print four copies of the layout page. Tape the four pages together to make the layout diagram, as shown below.

Fold the 14" background square in half twice to find the center and press. Using a light table or window, center the background square, right side up, over the block layout. Trace the location of each appliqué piece onto the background fabric using a quilter's chalk pencil.

### Appliqué

Locate the *Painted Hearts Block 1 Templates* page in the **PDF Templates** file associated with this issue. Using the appliqué technique of your choice, prepare each appliqué piece in the fabric color indicated on the templates. Appliqué each piece to the background in order, starting with the lowest numbered pieces.

Trim block to measure 12-1/2" x 12-1/2". Use the original block layouts as a guide, if needed.
