A Message from Cindy

"Have you visited **Pattern Pastiche** lately?" That is how we begin each email announcing a new program at **Pattern Pastiche**, *The Quilt Pattern Magazine's* private online quilters' forum. We are a safe, friendly, and supportive place for quilters of all levels.

make!

Pattern Pastiche is a great place to connect with the designers of the patterns in *The Quilt Pattern Magazine*. We have special groups for all our multi-part patterns like BOMs (Block of the Month) and mysteries. Group members can share their progress and get help if needed. You can start a discussion on a topic that interests you, or post your progress toward your monthly quilting goals.

We just finished a project called **Design Challenge Workshop**. Our members made dynamic 9-Patch blocks using basic geometric shapes. It was so easy and fun! It was amazing how many wonderful designs were created just by playing around. Many of these designs will appear in future patterns of *The Quilt Pattern Magazine*.

If you have not done so already, join **Pattern Pastiche**. If you are already a member, have you visited **Pattern Pastiche** lately?

We enjoy corresponding and sharing with quilters across the world, especially during live chat where we all enjoy a morning cup of coffee together or wind down with others after a long hard day.

There is so much quilty fun to be had at **Pattern Pastiche**! Each quilter can create their own blog, join special groups, post photos, ask questions, and have fun with our family of quilters. Of course we especially love to see your versions of our patterns, but we also enjoy looking at your other projects.

So many quilters are pet lovers, and one of our popular groups is our **TQPM Small Kennel Quilt Team**. We make small quilts for shelter pets. The need is especially great after a natural or man-made disaster. These small projects are like potato chips; you can't make just one. They're great stash busters, and if you're a quilting newbie, these are easy enough for you to

Our Commitment to Our Readers and to Quality

Here, at *The Quilt Pattern Magazine*, we are committed to bringing you top-quality patterns that you can depend upon. Our designers are required to have completed their original quilts and to have their patterns tested before submitting them to us. Our team of editors (who are all quilters, too!) then format the patterns (retaining national spellings) and send them out for testing again. Our testers follow the directions from beginning to end, making the entire top (not just a few blocks), including multiple sizes when necessary, to ensure that the materials list, directions, illustrations, and templates are all accurate.
