

Painted Hearts

By Cindy Mccoy

Painted Hearts - Finishing

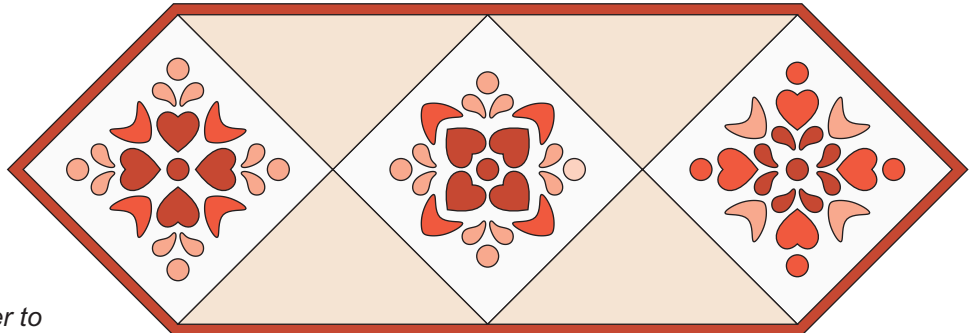

The introduction, materials list, general directions, and the three blocks in this series can be found in the June 2013 through August 2013 issues of *The Quilt Pattern Magazine*.

By now you have three beautiful blocks. Time to put them together to complete the table runner top. It's also time to show off your quilting skills in those great, open side setting triangles!

— TQPM

I hope you have enjoyed this BOM. I can't wait to see the different table toppers our readers have made. Don't forget to visit the **Painted Hearts** group on [Pattern Pastiche](#), *The Quilt Pattern Magazine's* online quilters' forum, to share photos of your blocks or your completed table runner.

— Cindy

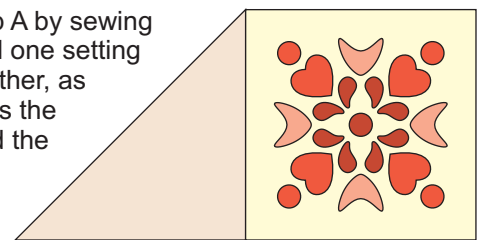

Approximately 51" x 17"

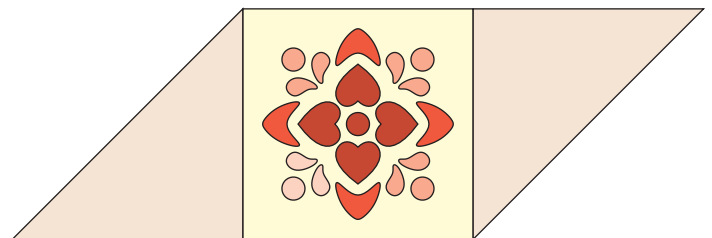

Assembly:

1. Make strip A by sewing block #3 and one setting triangle together, as shown. Press the seam toward the block.

Strip A

2. Make strip B by sewing block #2 and two setting triangles together, as shown. Press the seams toward the block.

Strip B

Materials Needed For Finishing:

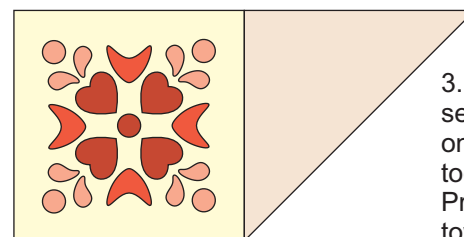

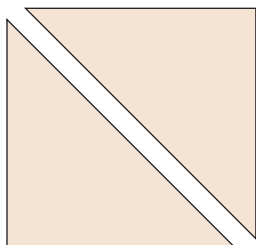

For this block you will need:

- **Painted Hearts** blocks
- 2 side setting triangle squares
- Batting
- Backing fabric
- Binding strips

Cutting:

1. Trim each of the three appliquéd **Painted Hearts** blocks to measure 12-1/2" x 12-1/2". Use the original block layouts as a guide, if needed.

2. Cut each 12-7/8" x 12-7/8" side setting triangle square in half **once** on the diagonal to make 4 side setting triangles, as shown. Handle these triangles carefully since they have bias edges that can easily stretch.

Strip C

3. Make strip C by sewing block #1 and one setting triangle together, as shown. Press the seam toward the block.
