**Raelyn Boothe**  
Designer

Raelyn Boothe (known as RB online) was raised by a quilter who was raised by a quilter who was raised by a quilter. However, she didn't embrace quilting until she was about to become a grandmother for the first time.

Five years and six grandchildren later, quilting has become a passion she enjoys every day.

Raelyn lives in the beautiful mountains of Utah with her very supportive husband Bryan, two old cats, a big, silly golden-doodle puppy, and a couple of goldfish. In addition to grandkids, quilting, and blogging, she enjoys board games and puzzles of all kinds. She believes there isn't much wrong that a nap and a Diet Pepsi can't fix.
